Santa's Elves - Belf, Felf, Helf, Melf, Delf (the tallest elf), Celf, Pelf, McElf, Jelf, Zelf (the shortest elf), Elfa, Relf, Kelf. You can use a smaller cast of elves, just divide up the extra lines according to how they work best for your blocking.

Santa

Jesus

Mrs. Santa

## **Props**

Toys, i.e., stuffed animals, toy choo-choo trains, small doll house, toy trucks or cars, dollies, etc.

Tables with tools of the trade for Elves, i.e., large sewing needle and thread, small artist paint brushes, little hammers or screw drivers; Christmas gift ribbon; scissors, etc.

Small tray with individual serving of cider and cinnamon roll.

Large tray with many servings of cider and cinnamon rolls.

Carpenter's tool belt for Jesus.

Santa's big sack for presents.

Stuffed lamb or lion with the name tag "Hello, my name is Jesus" on it.

## **Production Note**

A large tray of cinnamon rolls and cider needs to be discreetly hidden from sight but easy for an ELF to get to for when JESUS "multiplies" the rolls and cider in Scene Three. Care should be taken to stage JESUS and MRS. SANTA in a position to hide the ELF getting the tray during Scene Three.
