*Enter, DR. LUKE.*

ROOKIE

(to Luke)

Do you know anything about the dead duo?

LUKE

Of course, I'm the historian here.

ROOKIE

Historian? Wait, I remember you. Aren't you a doctor?

GRIZZ

Maybe he doesn't want to admit it, considering he wasn't much help to our vics.

ROOKIE

Maybe you better stick to being a historian, Doc.

LUKE

True that. It seems people get well or die no matter what I do. God always has his own plans.

ROOKIE

So you're saying God killed these people?

LUKE

Yes. Uh... No! Well, in a way.

GRIZZ

Enough double talk. What happened?

LUKE

We true believers were giving all our fortunes to our new fellowship.

GRIZZ

Everybody?

ROOKIE

Everything?

LUKE

We thought so. Until yesterday, when Annanais and Sapphira sold a piece of their property for a large sum.

ROOKIE

Wow, full pockets!

LUKE

Full pockets, empty talk! Annanais told our leader, Peter, that they were donating all of the money from the sale. But he lied.

GRIZZ

Is this Peter guy forcing the folks to fork it over?

LUKE

No! Peter said to him, “You could have given any amount. But you lied to the Holy Spirit.” And Annanias died on the spot.

ROOKIE

And the wife?

LUKE

Three hours later, she told Peter the same lie. And then...

ROOKIE

(flinching)

Uh-oh...

LUKE

She died.

ROOKIE

Thought so.

GRIZZ

And the bodies?

LUKE

They were carried off and buried. Everyone was afraid.

ROOKIE

I'm afraid and I wasn't even here! I bet it hurts to fall down dead.

GRIZZ

So, pretend you're a good doctor and tell us the cause of death.

LUKE

Each of them was a liar--

GRIZZ

--Liar--

ROOKIE

--Pants on Fire?

GRIZZ

So, cause of death was...burning?

LUKE

No. Lying.

GRIZZ

Seems pretty harsh.

ROOKIE

(hides a little behind Grizz)

And scary! Gosh, everybody lies.

GRIZZ

But not everybody dies from doing it. Highly unusual case.
